

## **IPCC Australia - Importing & Exporting**

### **IPCC Australia**

**Mark Wren** (Director) **Dennis Henry** (Director)

**IPCC Australia** is a Queensland owned and operated entity, created by merging the combined **Importing & Exporting** resources of **International Plastic Card Corporation P/L** and **Oceanaut Enterprises**.

**IPCC Australia** is our Importing & Exporting division, partnered with a Consortium of Manufacturers and Sellers. Commodities including Icumsa Sugar, Cement, Urea, Iron Ore (64.5%) (Minimum 100,000 M/T x 12), Garments (Direct from Bangladesh), Coffee, Gold (Au) and a range of IT Products (Notebooks) are supplied to our Representatives in India, Bangladesh, Singapore, China, Tanzania, Kenya and the United Kingdom. We mainly work direct with the **Seller** and/or **Manufacturer**, supplying the **Buyer** the most competitive price.

### **Gold Purchasing Procedure** **Letter of Interest**

1. **Buyer** supplies **Letter of Intent (LOI) / Irrevocable Corporate Purchase Order (ICPO)** and **Bank Capability Letter (BCL)** or all banking coordinates to **Seller**.
2. **Seller** will issue the **Full Corporate Offer (FCO)** and Non Circumvent Non Disclosure Agreement. **Buyer** then signs and returns the **FCO** and **NCNDA**.
3. The **SELLER** verifies the financial capability, and then sends **DRAFT CONTRACT** by e-mail or fax.
4. **Draft** contract is signed.
5. After these initial steps, then the **Hard Copies** of the contract are exchanged whilst the **PROOF OF FUNDS (POF)** and **PROOF OF PRODUCT (POP)** are verified through each side's respective Banks. **Proof of Funds** and **Proof of Product** are done through the Banks to be absolutely verifiable, legal and certain, the Bank being an independent entity.
